O Lord O Revealer of the Book and O Mover of the clouds and O quick in judgement and O defeater of the parties defeat the Christians and the Jews who are fighting Islam and the Muslims O Lord defeat them and shake them O Lord disperse their unity O Lord place conflicts in their opinions O Lord subdue the unbeliever countries that are fighting Islam and the Muslims O Lord send upon them the fierce winds and the deadly hurricanes and the various diseases O Lord sink down the ground with them O Lord down their airplanes O Lord destroy their destroyers.

O Lord truly Muslims have from the distress and the injustice what we do not complain about except to You Allah the Patient the Mighty the Lord of the great throne Lord of the heavens and the great Lord of the earth

Peace be on you my brother in Allah

Thank Allah who facilitated for us this and we unto him do return

In the beginning I apologize to you for my late response but there is good news Allah willing

I already received your two messages I already stored the telephone number in the personal mobile that I use and I put it under the name of my brother and the mobile is locked by a password and no one uses it but me and as I told you a mobile is prepaid even the enemy

Cannot trace as I told you Allah willing expel their evil from us

On the other side the best times for calling me

10:30 evening Texas time

And the e-mail for emergencies

ajloun-pilot@hotmail.com

And the happy news and that will help the operation is that

I will indeed obtain soon the Green Card which will help in movement

And which I am working on it now and Allah willing there will be operations around the world to break the back of the enemy after killing the brain

And its ribs around the world and its partners the apostates in the countries of the Arabs and the West

So I wish for the coming of the victory shouts

Allah is the greatest

Allah is the greatest

And you are thanked for the good news that my joining to you is done now and that you are like my brothers and may Allah make you all prosper until the meeting time

So I am happy and delighted I already obtained my intent that I ask for it from Allah be He exalted and already He facilitated that for me

Thank Allah I await your response praise Allah and with His praise I ask for His forgiveness and I repent to Him

My greetings to my brother al-Karkhi may Allah prolong his life

My greetings to you too and for helping me

There is no god but Allah Muhammad is Allah's Messenger

I hope that you transfer the news to the beloved Sheikh Usama Bin Laden for enlisting me

In the own country of the enemy and Allah willing I long a longing for meeting him

Now then

We relied on Allah Lord of the great throne

Peace and Allah's mercy and blessings be on you
